Graduate Students

We are happy to announce that we will be hosting our 6th Annual Southeastern Immigration Studies Association Conference in Charleston on April 11th and 12th at the Citadel and College of Charleston. We are deeply grateful for USC Upstate and Wofford College hosting it the last two years. This year, we have decided to bring it back to Charleston.

Please share with your colleagues, on social media, and anyone you feel might be interested. Our theme this year is: Reclaiming the Narrative in Trying Times. As in past years, we hope that the conference will be a gathering of scholars, community organizers, advocates, and students.

Please let us know if you have any questions.
