From the Desk of Dean Thomas Hodges:

College of Education Gamecocks, welcome to the Fall 2024 semester!

To our new students, we are so excited to have you join our College of Education family. From our dedicated staff to our world-class faculty, your experience in the College of Education will be among the most rewarding periods of your life. To our returning students, welcome home! My wish for all of you is that you are supported, nurtured in your learning and challenged in extraordinary ways. Wrestle with challenging ideas! Get out of your comfort zones. Try something new professionally. It may go terribly awry, but it will bring you new insights and make you better in the service of children, families, schools and communities. Here's to a semester filled with endless possibilities!

Freshmen, Sophomores, and Juniors – It is now time to schedule your advisement appointment! You should have received an email from your advisor with a link to make an appointment. Please schedule your appointment if you have not already done so. Seniors currently participating in Internship I will receive an email from their advisor in the coming weeks regarding

Did You Know?

September will begin our monthly student sessions – **Cookies and Conversation**. We will be featuring a variety of monthly topics and share resources for our students. We encourage all students to come out and enjoy this fellowship along with sweet treats.

WHERE: Wardlaw 110

WHEN: September 12th @ 3:00pm-4:00pm

WELCOME from Dr. Angela Baum,
Associate Dean for Academic Affairs

As we enter the fall semester, our team is here to help make your time as students both professionally enriching and enjoyable. The College of Education is your home while you're a student and after you graduate. Over the past year, we've engaged internal and external stakeholders to help us expand and innovate opportunities for you in the college. We hope you will take advantage of your time in the college and try new classes or research with world-class faculty. In all your endeavors, our team is here to support your journey.

Graduate Students:

If you plan to graduate in December 2024, apply by September 20 in my.sc.edu under **Apply to Graduate**. Commencement is Monday, December 16.

VOLUNTEER & JOB OPPORTUNITIES

The REMEDY study is looking for volunteer students to participate in dietary interventions/classes on Tuesday, Wednesday and Thursday evenings and looking for students to help with childcare during the classes. Please scan the QR code to fill out the [survey](#), if interested.

Stop by Gamecock EdQuarters (Wardlaw 113) or email coestudy@mailbox.sc.edu with any questions!
