

CURRICULUM VITAE

NAME: Joel Edward Williams, MPH, Ph.D.

ADDRESS: University of South Carolina
Arnold School of Public Health
Office of Graduate Student Services
915 Greene Street
Discovery Building 1 Suite 240
Columbia, SC 29208
Phone: (803) 413-0347
Email: WILLIAJE@MAILBOX.SC.EDU

Google Scholar: <https://bit.ly/3SZNhyx>

ResearchGate: <https://www.researchgate.net/profile/Joel-Williams-4>

EDUCATION:

- 2008 Certificate of Graduate Study (Applied Statistics)
University of South Carolina / Department of Statistics
- 2004 Doctor of Philosophy
University of South Carolina / Arnold School of Public Health / Department of Health Promotion, Education and Behavior
Cognate Area: Community Nutrition and Physical Activity
Dissertation: *Social Support and Adolescent Nutrition Behaviors in African American Families*
- 2001 Master of Public Health
University of South Carolina / Arnold School of Public Health / Department of Health Promotion, Education and Behavior
Research Practicum: *Neighborhood Design and Walking Behavior: Implications for Physical Activity Interventions*
- 1996 Bachelor of Science
Lander University / Department of Physical Education and Exercise Studies
Major: Exercise Studies
Double Concentration: Exercise Science/Sports Medicine
Senior Project: *Effects of Warm-Up and No Warm-Up on Isokinetic Knee Strength in Athletes versus Non-Athletes*

POSTDOCTORAL TRAINING:

- 2012 National Institutes of Health Advanced Training Institute on Health Behavior Theory
- 2005 - 2006 Postdoctoral Fellowship in Pediatric Obesity Prevention and Health Promotion
University of South Carolina, Department of Psychology (Dawn K. Wilson, mentor)
- 2005 Evidence Based Public Health Course St. Louis University School of Public Health

ACADEMIC AND ADMINISTRATIVE APPOINTMENTS:

- 2026 - Associate Dean for Graduate Programs
University of South Carolina / Arnold School of Public Health
- 2026 - Associate Professor (with tenure)
University of South Carolina / Department of Health Promotion, Education, and Behavior

- 2026 - 2026 Interim Graduate Programs Coordinator
Clemson University / Department of Public Health Sciences
- 2025 - 2026 Associate Dean for Graduate Studies
Clemson University / College of Behavioral, Social and Health Sciences
- 2022 - 2026 Assessment and Accreditation Coordinator
[SACSCOC and CEPH metric tracking and reporting]
Clemson University / Department of Public Health Sciences
- 2016 - 2018 Graduate Programs Coordinator
Clemson University / Department of Public Health Sciences
- 2012 - 2026 Associate Professor (with tenure)
Clemson University / Department of Public Health Sciences
- 2007 - 2012 Assistant Professor & Extension Specialist (tenure track)
Clemson University / Department of Public Health Sciences
- 2006 - 2007 Instructor (tenure track)
Wake Forest University SOM / Department of Family and Community Medicine

OTHER PROFESSIONAL POSITIONS:

- 2018 - 2024 Krav Maga & Group Fitness Instructor, Carolina Combatives & Fitness, Anderson, SC
- 2004 - 2005 Chronic Disease Program Evaluator, SC Dept. of Health and Environmental Control,
Bureau of Community Health and Chronic Disease Prevention, Divisions of Obesity and
Diabetes Prevention and Control, Columbia, SC
- 2002 - 2002 Database Manager, South Carolina Heart Center, Echovascular Department,
Columbia, SC
- 2000 - 2004 Graduate Research Assistant, Prevention Research Center, Arnold School of Public
Health, University of South Carolina, Columbia, SC
- 1998 - 2000 Certified Athletic Trainer & Health/Fitness Instructor, McLeod Health and Fitness Center
Florence, SC
- 1997 - 1998 Certified Athletic Trainer, Greenwood Sports and Industrial Rehab, Greenwood, SC
- 1996 - 1997 Exercise Specialist, Greenwood Sports and Industrial Rehab, Greenwood, SC
- 1996 - 1996 Exercise Leader, Ladies Workout Express, Greenwood, SC

LICENSURE AND CERTIFICATION:

- 2018 NESTA Certified Muay Thai Fitness Instructor (#Q183854876)
- 2018 NESTA Certified TACTIX Instructor (#Q184484981)
- 2008 Master Trainer, Stanford University Chronic Disease Self-Management Program
- 1999 - 2008 ACSM Health/Fitness Instructor (#13225)
- 1997 - 2013 NATA Certified Athletic Trainer (#089702634)

HONORS, AWARDS AND RECOGNITIONS:

- 2017 Clemson University School of Health Research Scholar
- 2015 Institute for Advancement of Health Care (IAHC) Faculty Fellow

- 2008 - 2009 Clemson University Service Alliance Faculty Fellow

- 2007 Academic Keys Who's Who in Health Sciences Academia

- 2004 Doctoral Student of the Year, Department of Health Promotion, Education and Behavior, Arnold School of Public Health, University of South Carolina

- 2004 Malcolm U. Dantzler Scholarship, South Carolina Public Health Association

- 2004 The Chancellor's List®

- 2002 Certificate of Merit, Nominee for Student Excellence in Public Health Practice, Association of Schools of Public Health & Council of Public Health Practice Coordinators

- 2001 Delta Omega Honorary Public Health Society Inductee, Mu Chapter, University of South Carolina

- 2001 Public Health Student Scholarship, South Carolina Public Health Association

GRANT FUNDING HISTORY:

Ongoing Work

1. National Institutes of Health / National Heart, Lung, and Blood Institute Joseph (PI)
04/01/2023 – 03/31/2028 1R01HL168170-01
Smart Walk: A culturally tailored smartphone-delivered physical activity intervention to reduce cardiometabolic disease among African American Women
The goal of this project is to conduct a fully-powered efficacy trial the Smart Walk intervention with obese African American women.
Role: Site PI/Co-Investigator (Sub-Award Direct: \$212,860; Sub-Award Indirect: \$52,176)
TOTAL Project Award: \$3,310,252

Completed Research

1. National Institutes of Health / National Institute of Nursing Research Joseph (PI)
10/01/2022 – 03/31/2023* 1R56NR020019-01A1
Smart Walk: A Culturally Tailored Smartphone-delivered Physical Activity Intervention for Reduction of Cardiometabolic Disease Risk among African American Women
The goal of this project was to build upon previous pilot studies and includes a series of formative research assessments to refine the Smart Walk intervention - specifically, to enhance app engagement and increased social support for PA, in order to promote greater improvements in PA and reductions in cardiometabolic disease risk.
Role: Co-Investigator/Site PI (Sub-Award Direct: \$18,427; Sub-Award Indirect: \$ 4,791)
TOTAL Project Award: \$313,183

NOTE: We had to end this grant early because we were awarded an R01 through NHLBI in this same research area / R01 sponsor would not defer funding

2. Robert H. Brooks Sports Science Institute Williams (PI)
July 2021 – April 2022
Improving injury surveillance to promote adolescent athlete health and safety: A university/non-profit collaboration
The purpose of this research was to promote the health and safety of adolescent sport participation through improved injury surveillance and risk factor identification by partnering with a non-profit organization that provides sports medicine services to schools across South Carolina, Georgia, and Alabama.
Role: Study PI (Direct: \$23,535)

3. Department of Health & Human Services / Centers for Disease Control & Prevention
05/16/2020 – 08/15/2024
South Carolina County Health Extension: High Obesity Prevention and Elimination
This project implemented evidence- and practice-based strategies with a goal to increase access to nutritious foods and places to be physically active in counties where the prevalence of obesity among adults was more than 40%.
Role: Survey Team Trainer/Data Collector (Direct: \$3,800,000) Griffin (PI)
4. Prisma Health Desjardins (PI)
07/01/2019 – 06/30/20
Testing, Evaluation and Final Development of the "COVER" Device (Covering for Operations during Viral Emergency Response): COVID-19 Seed Grant
This project developed and tested a novel portable negative pressure hood prototype to protect patients and staff during the COVID-19 pandemic.
Development, Testing and Evaluation the "COVER" Device (Covering for Operations during Viral Emergency Response) in the Emergency Room
Role: Co-Investigator (Direct: \$16,000)
5. Mary Lohr Endowment Fund Williams (PI)
01/01/18 – 12/31/18
Usability of the EoE Manager App: A Mobile Application for Monitoring Pediatric Eosinophilic Esophagitis Symptoms and Quality of Life.
The primary objective of this study was to examine the usability of a mobile health application designed to track pediatric eosinophilic esophagitis (EoE) self-management.
Role: Study PI (Direct: \$14,998)
6. U.S. Department of Defense W81XWH-15-C-0070 Gimbel (PI)
08/01/15 – 01/31/18
Enhancing mHealth Technology in the PCMH to Activate Chronic Patients
The goal of this study was to advance understanding of the optimal use of mHealth in the care of chronic type-2 diabetes receiving care in the military health system environment.
Role: User-Centered Design Team Lead/Intervention Team (Direct: \$2,180,000; Indirect: \$654,000)
7. American College of Gastroenterology Smaller Programs Clinical Research Award Program Eke (PI)
07/01/16 – 12/31/17
A Prospective Study Examining the Effects of Second-Hand Cigarette Smoke Exposure on Eosinophilic Esophagitis Symptoms and Outcomes
The primary aim of this project was to examine the associations between exposure to second hand cigarette smoke and Eosinophilic Esophagitis symptoms and outcomes.
Role: Co-Investigator/Research Mentor (Direct: \$25,000)
8. The Riley Center Griffin (PI)
Implementation Evaluation for Greenville Health System School Based Health Centers
03/01/16 – 08/31/17
This evaluation utilized a mixed methods approach to provide an implementation/process evaluation of the OnTrack Greenville School Based Health Centers. (Direct: \$57,169; Indirect: \$7,325)
9. South Carolina Telehealth Alliance Markowitz & Eke (Co-PIs)
05/01/16 – 05/31/17
Feasibility of Eosinophilic Esophagitis (EoE) follow-up care through telemedicine: A pilot study on

patient's perspective

This study examined the feasibility of utilizing telemedicine system for the management of health outcomes of children with EoE utilizing a patient-centered approach.

Role: Postdoctoral Fellow Mentor

(Direct: \$30,404.50)

10. Greenville Health System Contract # 2015000353 Williams (PI)
10/01/14 – 09/30/16
Embedding of Clemson University Faculty in Greenville Health System Clinical (Pediatrics)
The goal of this funding was to secure support for a postdoctoral fellow supervised by Greenville Health System Pediatricians (Jonathan Markowitz, MD/MSCE & Bryce Nelson, MD/Ph.D.) and a Clemson University researcher (Joel Williams, MPH/Ph.D.) to facilitate institutional research collaboration.
Role: Principal Investigator/Postdoctoral Fellow Mentor (Direct: \$41,540)
11. Co-Investigator/Field Survey Team Leader. Khoa Truong, Principal Investigator. "The Uninsured and Hot Spots in SC: Their Health Status and Access to healthcare". Funded by Blue Cross Blue Shield of South Carolina Grant #2013-16. (Direct: \$406,000).
12. Co-Investigator/Evaluator. Sarah F. Griffin, Principal Investigator. "A Social Ecological Approach to Encourage and Assist Residents to Eat Smart and Move More in Rural Colleton County". Funded by the U.S. Department of Agriculture/National Institute of Food and Agriculture. (Direct: \$111,866; Indirect: \$38,034).
13. Evaluator. "Farm to School Evaluation". Subcontract to Sarah Griffin & Joel Williams with the Office of Public Health Practice, University of South Carolina Arnold School of Public Health. Funded by the Centers for Disease Control and Prevention through the SC Department of Health and Environmental Control. (Direct: \$58,199; Indirect: \$175). Funding period: October 2011 – September 2012; funding extended through 2013.
14. Co-Investigator/Evaluator. Cheryl J. Dye, Principal Investigator. "Extended Health Coaches for Hypertension Control". Funded by the U.S. Department of Agriculture/National Institute of Food and Agriculture Rural Health and Safety Education Competitive Grants Program (Proposal # 2012-03437). (Direct: \$146,632; Indirect: \$43,990). Funding period: September 2012 – September 2013.
15. Co-Investigator. Veronnie F. Jones, Principal Investigator. "A culturally Appropriate Intervention to Prevent Childhood Obesity Among Low Income African American Families". Funded by the Department of Pediatrics, University of Louisville School of Medicine. (Direct: \$20,000; Indirect: N/A). Funding period: September 2011 – August 2012.
16. Co-Investigator/Evaluator. Cheryl J. Dye, Principal Investigator. "Health Coaches for Hypertension Control". Funded by the Health Resources and Services Administration (HRSA 1 D04RH12726-01-00). (Direct: \$298,594; Indirect: \$76,334). Funding period: May 2009 – April 2012.
17. Co-Principal Investigator. Sarah Griffin and Katherine Cason, Co-Principal Investigators. "Evaluation of the Zest Quest® School Health Promotion Model." Funded by The Cliffs Communities, Inc. Foundation. (Direct: \$174,365.59; Indirect: \$17,357.08). Funding period: April 2008 – June 2009.
18. Principal Investigator. "Understanding Grass-Roots Obesity Prevention and Control Efforts". Funded through a Citizens and Scholars Mini-grant, Clemson University Service Alliance, Office of the Vice President for Public Service and Agriculture (\$4,868.24), with supplemental funding from the Wal-Mart Community Grants Program (\$1,000). Funding period: January 2008 – December 2008.

19. Principal Investigator. "Community-Based Physical Functioning Improvement Program". Funded through the College of Health, Education and Human Development Summer Research Support Program. (Summer salary: \$2,958.57; Expert consultation/review: \$1,000). Summer 2008.
20. Co-Investigator. Daryl A. Rosenbaum, Principal Investigator: "Club Level Youth Soccer Injury Risk During Multiple Games on the Same Day." Funded by the Wake Forest University Department of Family and Community Medicine. Participated on project: September 2006 – September 2007.
21. Statistical Consultant. Daryl A. Rosenbaum, Principal Investigator: "Incoming College Athletes' Motivation to Report Inaccurate Medical Histories During Pre-participation Exams." Funded by the Wake Forest University Department of Family and Community Medicine. Participated on project: August 2006 – August 2007.
22. Project Coordinator. Thomas A. Arcury, Principal Investigator: "Ethnic Variation in CAM Use and Health Self Management Among Rural Older Adults." Funded by the National Center for Complimentary and Alternative Medicine (R01 AT003635). Participated on project: September 2006 – May 2007.
23. Project Coordinator. Thomas A. Arcury, Principal Investigator: "African American Men Prostate and Colorectal Cancer Belief." Funded by the National Cancer Institute (R21 CA113943). Participated on project: April 2006 – May 2007.
24. Statistical Consultant. Doug Comeau, Principal Investigator: "Use of Manual Medicine by NCAA Division I Athletic Programs." Funded by the Wake Forest University Dept. Family and Community Medicine. Participated on project: November 2006 – May 2007.
25. Statistical Consultant. Jon Yoder, Principal Investigator: "Antibiotic Prescribing Rates in the Training Room of an NCAA Division I University Athletic Program." Funded by the Wake Forest University Dept. Family and Community Medicine. Participated on project: December 2006 – May 2007.
26. Postdoctoral Fellow/Measurement Coordinator. Dawn K. Wilson, Principal Investigator: "Self-Determination for Increasing Physical Activity." Funded by the National Institute of Child Health and Development (R01 HD045693). Participated on project: June 2004 – May 2005.
27. Co-Investigator. Lynette Gibson, Principal Investigator: "Evaluating a Teaching Program for Diabetes Prevention Among African Americans." Funded by the National Diabetes Education Program. Participated on project: January 2004 – January 2005.
28. Data Analyst. Barbara E. Ainsworth, Principal Investigator: "Integrating Physical Activity and Weight Control Behaviors in Surveillance." Funded by the Centers for Disease Control and Prevention (AU48/CCU409664, SIP 20-01). Participated on project: April 2003 – August 2003.
29. Project Coordinator. Dawn K. Wilson, Principal Investigator: "Promoting Physical Activity in Underserved Adolescents." Funded by a University of South Carolina Research and Productive Scholarship Grant. Participated on project: April 2002 – April 2003.
30. Interviewer. Martha L. Slattery, Principal Investigator: "Southwestern Hormone, Insulin, Nutrition and Exercise (SHINE) Study." Funded by the National Cancer Institute (5R01 CA48998-10). Participated on project: August 2001 – September 2001.
31. Research Assistant. Barbara E. Ainsworth, Principal Investigator: "Community Indicators Supportive of Physical Activity." Funded by the Centers for Disease Control and Prevention (AU48/CCU409664, SIP 20-01). Participated on project: April 2000 – August 2002.

EDITORIAL AND REVIEWER RESPONSIBILITIES:

Grants

- External Grant Reviewer for Oak Ridge Associated Universities – annual reviews of grants for various state agencies contracted through ORAU (2020 -)
- Grant Reviewer – NIMH Transdisciplinary Collaborative Centers for Health Disparities Research on Chronic Disease Prevention (U54) Panel (2016)
- Grant Reviewer – PCORI Tier 1, Cycle 2 (2015)
- Stage 1 Grant Reviewer – NIH Challenge Grants in Health and Science Research: RFA-09-003 (2009)
- External Panel Reviewer – American Recovery and Reinvestment Act (ARRA) of 2009: Communities Putting Prevention to Work. Reviewed applications submitted by county groups to the South Carolina Department of Health and Environmental Control (2009)
- Community Grant Reviewer – Eat Smart Move More SC (2008)
- Community Grant Reviewer – Sumter County Active Lifestyles Coalition (2006 - 2008)
- Grant Reviewer – South Carolina Healthy Schools Initiative (2001)

UNIVERSITY TEACHING AND ADVISING:

1. Instructor. (Spring 2026). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 9910: Doctoral Dissertation Research in Applied Health Research and Evaluation.
2. Instructor. (Fall 2025). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 9910: Doctoral Dissertation Research in Applied Health Research and Evaluation.
3. Instructor. (Summer 2025). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8090: Epidemiological Research.
4. Instructor. (Summer 2025). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 3800: Epidemiology.
5. Instructor. (Spring 2025). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 9910: Doctoral Dissertation Research in Applied Health

Updated: 08/26/2026

Research and Evaluation.

6. Instructor. (Spring 2025). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8420: Applied Evaluation Methods in Health.
7. Instructor. (Fall 2024). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 9910: Doctoral Dissertation Research in Applied Health Research and Evaluation.
8. Instructor. (Fall 2024). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8030: Theories and Determinants of Health.
9. Instructor. (Summer 2024). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8090: Epidemiological Research.
10. Instructor. (Summer 2024). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 3800: Epidemiology.
11. Instructor. (Spring 2024). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 9910: Doctoral Dissertation Research in Applied Health Research and Evaluation.
12. Instructor. (Spring 2024). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8410: Foundations of Evaluation in Health.
13. Instructor. (Spring 2024). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8420: Applied Evaluation Methods in Health.
14. Instructor. (Spring 2024). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8990: Independent Study in Applied Health Research and Evaluation.
15. Instructor. (Fall 2023). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 9910: Doctoral Dissertation Research in Applied Health Research and Evaluation.
16. Instructor. (Fall 2023). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8030: Theories and Determinants of Health.
17. Instructor. (Fall 2023). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 4900: Independent Study.
18. Instructor. (Summer 2023). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8090: Epidemiological Research.
19. Guest Lecturer. (Spring 2023). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 3150: Social Epidemiology (Instructor: Julia Sherry). Topic: A Lifecourse Approach to Social Epidemiology Research.
20. Instructor. (Spring 2023). Clemson University, College of Behavioral Social and Health Sciences,

Department of Public Health Sciences, HLTH 9910: Doctoral Dissertation Research in Applied Health Research and Evaluation.

21. Instructor. (Spring 2023). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8990: Independent Study in Applied Health Research & Evaluation. (2 sections).
22. Instructor. (Spring 2023). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8210: Health Research I: Design & Measurement.
23. Instructor. (Spring 2023). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HON 4990: Independent Study.
24. Instructor. (Spring 2023). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HON 4000: Honors Contract.
25. Instructor. (Spring 2023). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 3030: Applied Evaluation Methods in Health.
26. Instructor. (Fall 2022). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 9910: Doctoral Dissertation Research in Applied Health Research and Evaluation. (2 sections).
27. Instructor. (Fall 2022). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 2400: Determinants of Health Behavior.
28. Instructor. (Fall 2022). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8030: Theories and Determinants of Health.
29. Instructor. (Summer 2022). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8090: Epidemiological Research.
30. Instructor. (Summer 2022). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 3800: Epidemiology.
31. Instructor. (Summer 2022). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 2400: Determinants of Health Behavior.
32. Instructor. (Spring 2022). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 3030: Public Health Communication.
33. Instructor. (Spring 2022). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8420: Applied Evaluation Methods in Health.
34. Instructor. (Fall 2021). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 9910: Doctoral Dissertation Research in Applied Health Research and Evaluation. (2 sections).
35. Instructor. (Fall 2021). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8030: Theories and Determinants of Health.

36. Instructor. (Fall 2021). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8410: Foundations of Evaluation in Health.
37. Instructor. (Summer 2021). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8090: Epidemiological Research.
38. Instructor. (Summer 2021). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 3800: Epidemiology.
39. Instructor. (Summer 2021). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 2400: Determinants of Health Behavior.
40. Instructor. (Spring 2021). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8990: Independent Study in Applied Health Research & Evaluation
41. Instructor. (Spring 2021). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8890: Doctoral Seminar.
42. Instructor. (Spring 2021). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 3030: Health Communication
43. Instructor. (Fall 2020). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8410: Foundations of Evaluation in Health.
44. Instructor. (Fall 2020). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8030: Theories and Determinants of Health.
45. Instructor. (Fall 2020). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 9910: Doctoral Dissertation Research in Applied Health Research and Evaluation.
46. Instructor. (Summer 2020). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8090: Epidemiological Research.
47. Instructor. (Summer 2020). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 3800: Epidemiology.
48. Instructor. (Spring 2020). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 9910: Doctoral Dissertation Research in Applied Health Research and Evaluation.
49. Instructor. (Spring 2020). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8990: Independent Study in Applied Health Research & Evaluation
50. Instructor. (Spring 2020). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8890: Doctoral Seminar.

51. Instructor. (Spring 2020). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 2400: Determinants of Health Behavior.
52. Instructor. (Fall 2019). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8410: Foundations of Evaluation in Health.
53. Instructor. (Fall 2019). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8030: Theories and Determinants of Health.
54. Instructor. (Fall 2019). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 9910: Doctoral Dissertation Research in Applied Health Research and Evaluation.
55. Instructor. (Summer 2019). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8090: Epidemiological Research.
56. Instructor. (Spring 2019). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8990: Independent Study in Applied Health Research & Evaluation
57. Instructor. (Spring 2019). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8420: Applied Evaluation Methods in Health.
58. Instructor. (Spring 2019). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8210: Health Research I: Design & Measurement.
59. Instructor. (Fall 2018). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8990: Independent Study in Applied Health Research & Evaluation.
60. Instructor. (Fall 2018). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 9910: Doctoral Dissertation Research in Applied Health Research and Evaluation.
61. Instructor. (Fall 2018). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8210: Health Research I: Design & Measurement.
62. Instructor. (Fall 2018). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8030: Theories and Determinants of Health.
63. Instructor. (Summer 2018). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8090: Epidemiological Research.
64. Instructor. (Spring 2018). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8990: Independent Study in Applied Health Research & Evaluation
65. Instructor. (Spring 2018). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8420: Applied Evaluation Methods in Health.

66. Instructor. (Spring 2018). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8210: Health Research I: Design & Measurement.
67. Instructor. (Fall 2017). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8030: Theories and Determinants of Health.
68. Co-Instructor. (Fall 2017). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8890: Doctoral Seminar.
69. Instructor. (Summer 2017). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8090: Epidemiological Research.
70. Instructor. (Spring 2017). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8210: Health Research I: Design & Measurement.
71. Co-Instructor. (Spring 2017). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8890: Doctoral Seminar.
72. Instructor. (Spring 2017). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 4990: Independent Study.
73. Instructor. (Spring 2017). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 4950: Honors Thesis Seminar.
74. Co-Instructor. (Fall 2016). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8890: Doctoral Seminar.
75. Instructor. (Fall 2016). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 9910: Dissertation Research in Applied Health.
76. Instructor. (Fall 2016). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 4990: Independent Study.
77. Instructor. (Fall 2016). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 4950: Honors Thesis Seminar.
78. Instructor. (Fall 2016). Clemson University, College of Behavioral Social and Health Sciences, Department of Public Health Sciences, HLTH 8030: Theories and Determinants of Health.
79. Instructor. (Spring 2016). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 8420: Applied Evaluation Methods in Health.
80. Instructor. (Spring 2016). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 4800: Community Health Promotion.
81. Instructor. (Spring 2015). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 2400: Determinants of Health Behavior (2 sections).
82. Instructor. (Fall 2014). Clemson University, College of Health, Education and Human Development,

Department of Public Health Sciences, HLTH 8030: Theories and Determinants of Health.

83. Instructor. (Fall 2014). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 3400: Health Promotion Program Planning and Evaluation.
84. Instructor. (Summer 2014). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 3500: Medical Terminology and Communication.
85. Instructor. (Summer 2014). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 2400: Determinants of Health Behavior.
86. Instructor. (Spring 2014). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 2400: Determinants of Health Behavior (2 sections).
87. Instructor. (Spring 2014). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 4970: Creative Inquiry in Public Health.
88. Instructor. (Fall 2013). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 4970: Creative Inquiry in Public Health.
89. Instructor. (Fall 2013). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 3400: Health Promotion Program Planning and Evaluation.
90. Instructor. (Summer II 2013). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 2020: Introduction to Public Health.
91. Instructor. (Spring 2013). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 2400: Determinants of Health Behavior (2 sections).
92. Instructor. (Fall 2012). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 2980: Human Health and Disease (1 section).
93. Instructor. (Fall 2012). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 3400: Health Promotion Program Planning and Evaluation.
94. Instructor. (Spring 2012). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 2980: Human Health and Disease (2 sections).
95. Guest Lecturer. (Spring 2012). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, MHA 7170: Selected Topics in Health Administration "21st Century Health: Refocusing Upstream - Policy Challenges & Opportunities". Topic: Physical Activity in Context: An Ecological Perspective.
96. Instructor. (Fall 2011). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 2980: Human Health and Disease (2 sections).
97. Instructor. (Summer II 2011). Clemson University, College of Health, Education and Human

Development, Department of Public Health Sciences, HLTH 4000/6000 (online): Public Health Nutrition.

98. Instructor. (Summer I 2011). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 2980 (online): Human Health and Disease.
99. Guest Lecturer. (Spring 2011). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 4800 (Instructor: Sarah F. Griffin): Community Health Promotion. Topic: Health & The Environment: Food.
100. Instructor. (Spring 2011). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 2980: Human Health and Disease (2 sections).
101. Instructor. (Fall 2010). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 2980: Human Health and Disease.
102. Instructor. (Summer I 2010). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 2980 (online): Human Health and Disease.
103. Guest Lecturer. (Spring 2010). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 4800 (Instructor: Sarah F. Griffin): Community Health Promotion. Topic: Facilitation Skills.
104. Guest Lecturer. (Spring 2010). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 4300 (Instructor: Cheryl J. Dye): Health Promotion of the Aged. Topic: Promoting Physical Activity.
105. Guest Lecturer. (Fall 2009). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 3400 (Instructor: Sarah F. Griffin): Health Promotion Program Planning. Topic: Data Analysis and Reporting.
106. Co-Instructor with Sarah F. Griffin. (Spring 2009). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 4800: Community Health Promotion.
107. Co-Instructor with Katherine L. Cason and Sarah F. Griffin. (Spring 2009). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 4000 (cross-listed as NUTR 8020): Nutrition & Physical Activity Behavior Research.
108. Guest Lecturer. (Fall 2008). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 4300 (Instructor: Cheryl J. Dye): Health Promotion of the Aged. Topic: Physical Activity Measurement and Physical Activity Promotion.
109. Guest Lecturer. (Fall 2008). Clemson University, College of Agriculture, Forestry, and Life Sciences, Department of Food Science and Human Nutrition, FD SC 4500 (Instructor: Katherine L. Cason): Creative Inquiry. Topic: Needs Assessment and Program Planning.
110. Instructor. (Summer II 2008). Clemson University, College of Health, Education and Human Development, Department of Public Health Sciences, HLTH 2980 (online): Human Health and Disease.
111. Guest Lecturer. (Spring 2008). Clemson University, College of Health, Education and Human

Development, Department of Public Health Sciences, HLTH 4800: Community Health Promotion (Instructor: Sarah F. Griffin). Topic: Qualitative Research Methods.

112. Guest Lecturer. (Spring 2004). University of South Carolina, Arnold School of Public Health, Department of Exercise Science, EXSC 700/882 (Instructor: Steven P. Hooker): Physical Activity and Public Health. Topic: Diabetes and Physical Activity.
113. Guest Lecturer. (Spring 2004). University of South Carolina, Arnold School of Public Health, Department of Exercise Science, EXSC 700/882 (Instructor: Steven P. Hooker): Physical Activity and Public Health. Topic: Physical Activity Measurement.
114. Lecturer. (Spring 2002). Lander University, Department of Physical Education and Exercise Studies
 - PEES 210 - 98 L: Anatomy and Physiology of Human Movement Laboratory
 - PEES 144 - 94 L: Beginning Weight Training
115. Guest Lecturer. (Spring 2002). University of South Carolina, Arnold School of Public Health. Department of Health Promotion, Education & Behavior, HPRE 221: Personal and Community Health, Topic: Exercise and Weight Management from a Public Health Perspective.
116. Guest Lecturer. (Fall 2001). University of South Carolina, Arnold School of Public Health, Department of Health Promotion, Education & Behavior
 - HPRE 502: Applied Aspects of Human Nutrition, Topic: U.S. Dietary Guidelines
 - HPRE 221: Personal and Community Health
 - Topic 1: Physical Activity and Exercise: History and Individual Level Concepts
 - Topic 2: Physical Activity and Exercise: Public Health Perspective and Community Level Concepts

Doctoral Committees (at Clemson University)

1. Cassius Hossfeld, Ph.D. (Applied Health Research and Evaluation). Advisor and Dissertation Committee Member (2024 - 2026)
2. Alexandra Skrocki, Ph.D. (Parks, Recreation and Tourism Management). Dissertation Committee Member (2024 - 2026)
3. Samuel Ankomah, Ph.D. (Applied Health Research and Evaluation). Advisor and Dissertation Chair (2023 - 2026)
4. Ezinne Sylvia Melikam, Ph.D. (Applied Health Research and Evaluation). Dissertation Committee Member (2023 - 2024)
5. Sam Kanny, Ph.D. (Applied Health Research and Evaluation). Advisor (2021 - 2023)
6. Laura Rolke, Ph.D. (Applied Health Research and Evaluation). Dissertation Committee Member (2019 - 2021). Dissertation title: *Pediatric Asthma Management: Navigating Child, Family, Healthcare, and Community Factors*
7. Melissa Paquin, Ph.D. (Healthcare Genetics). Dissertation Committee Member (2018 - 2020). Dissertation title: *Comparison of Papillary Renal Cell Carcinoma Type 1 and Type 2: A Secondary Data Analysis Using TCGA*
8. Ellen Francis, Ph.D. (Applied Health Research and Evaluation). Dissertation Committee Member (2018 - 2020). Dissertation title: *Identifying Determinants of Gestational Diabetes and Fetal Growth: Insights on the*

role of adipokines and vitamin D

9. Sherry Stokes, Ph.D. (Applied Health Research and Evaluation). Advisor and Dissertation Committee Member (2016 - 2019). Dissertation title: N/A
10. Christopher Hopkins, Ph.D. (Applied Health Research and Evaluation). Advisor and Dissertation Chair (2016 - 2021). Dissertation title: *Investigating the Extent of the Problem: Injury Epidemiology in Cross-Country and Track & Field*
11. Brian Helsel, Ph.D. (Applied Health Research and Evaluation). Advisor/Dissertation Committee Co-Chair (2016 - 2020). Dissertation title: *Ready, STEADI, Balance: Exploring fall-related risk factors in a longitudinal sample of Medicare beneficiaries and South Carolina emergency department encounters using the social ecological model*
12. Annah Kabukuru, Ph.D. (International Family and Community Studies). Dissertation committee member (Summer 2011 - Spring 2014). Dissertation title: *Self determination in birthplace choice - Bududa District.*
13. Tarana Khan, Ph.D. (Food Technology). Dissertation Co-Chair (Summer 2010 - 2013). Dissertation committee member (Fall 2008 - Summer 2010). Dissertation title: *Assessing physical activity behavior of adults in the Expanded Food and Nutrition Education Program.*
14. Yenory Hernandez Garbanzo, Ph.D. (Food Technology). Dissertation committee member (Fall 2008 - Summer 2011). Dissertation title: *Measuring the impact of the youth EFNEP program: Tool development and validation.*
15. Sarah Agate, Ph.D. (Parks, Recreation, and Tourism Management). Dissertation committee member (Spring 2009 - Spring 2010). Dissertation title: *Helping families play: Developing a framework for family recreation planning.*
16. America Chavez-Martinez, Ph.D. (Food Technology). Dissertation committee member (Spring 2008 - Spring 2008). Dissertation title: *Health and Nutritional Needs Assessment of Hispanics in South Carolina.*

Master's Thesis and Project Committees (at Clemson University)

1. Adam Yates, M.S. (Applied Sociology). Thesis committee member (Fall 2013 - Summer 2014). Thesis title: *Felt stigma from medical professionals: Effects of body mass index on medical use.*
2. Katherine Yohman, M.Arch. (Architecture + Health). Master's project committee member (Fall 2010 - Spring 2012). Thesis Title: *Suburban community wellness center to promote and improve community health.*
3. Sandee Blankenship, M.S. (Youth Development Leadership). Master's project committee member (Spring 2010). Project Title: *Evaluation of Zest Quest: A web-based delivery.*
4. Karen Bunch, M.S. (Youth Development Leadership). Master's project committee member (Fall 2010). Project Title: *The importance of parental perception in fighting childhood obesity: A needs assessment for parent education programs.*
5. Andrew Warmin, M.S. (Food Science and Human Nutrition). Thesis committee member (Fall 2008 - Spring 2009). Thesis title: *Cooking With A Chef: A culinary nutrition intervention for college aged students.*
6. Maria Mercedes Rossi, M.S. (Food Science and Human Nutrition). Thesis committee member (Fall 2007 -

Spring 2008). Thesis title: *Assessment of a pilot nutrition education program for Hispanic youth and their parents.*

Other Student Supervision/Mentoring Activities (at Clemson University)

1. Lucy Isaacs, B.S. (Health Sciences), Honors Contract (Fall 2025, Spring 2026)
2. Ella Noll, B.S. (Health Sciences), Independent Study (Fall 2023)
3. Samuel Ankomah, Ph.D. (Applied Health Research and Evaluation), Independent Study in Applied Health (Spring 2023)
4. Ezinne Sylvia Melikam, Ph.D. (Applied Health Research and Evaluation), Independent Study in Applied Health (Spring 2023)
5. Ella Noll, B.S. (Health Sciences), Independent Study (Spring 2023)
6. Grace Bauman, B.S. (Health Sciences), Honors Contract (Spring 2023)
7. Brooke Hopkins, M.S. (Applied Health Research and Evaluation), Independent Study (Fall 2018)
8. Nick Lonabaugh, B.S. (Health Sciences), Independent Study (Fall 2018)
9. Jessica Liang, B.S. (Health Sciences), Independent Study (Fall 2016 - Spring 2017)
10. Jessica Liang, B.S. (Health Sciences), Honors thesis project (Spring 2016 - Spring 2017)
11. Sagar Thakur, M.S. (Computer Science), iOS software project – Co-mentored with Dr. Roy Pargas Instructor of CPSC 4820/6820 “Android Mobile Software Development” course (Fall 2016)
12. Rohith Raju, M.S. (Computer Science), iOS software project – Co-mentored with Dr. Roy Pargas Instructor of CPSC 4820/6820 “Android Mobile Software Development” course (Fall 2016)
13. Nadine Matondo-Mvula, M.S. (Computer Science), iOS software project – Co-mentored with Dr. Roy Pargas Instructor of CPSC 4820/6820 “Android Mobile Software Development” course (Fall 2016)
14. Jacob Kaufman, M.S. (Computer Science), iOS software project – Co-mentored with Dr. Roy Pargas Instructor of CPSC 4820/6820 “Android Mobile Software Development” course (Fall 2016)
15. Chakradharreddy Gogula, M.S. (Computer Science), iOS software project – Co-mentored with Dr. Roy Pargas Instructor of CPSC 4820/6820 “Android Mobile Software Development” course (Fall 2016)
16. Raghuvaran Chowda, M.S. (Computer Science), iOS software project – Co-mentored with Dr. Roy Pargas Instructor of CPSC 4820/6820 “Android Mobile Software Development” course (Spring 2016)
17. Santhosh Raj Ravirala, M.S. (Computer Science), iOS software project – Co-mentored with Dr. Roy Pargas Instructor of CPSC 4820/6820 “Android Mobile Software Development” course (Spring 2016)
18. Nadine Matondomvula, M.S. (Computer Science), iOS software project – Co-mentored with Dr. Roy Pargas Instructor of CPSC 4820/6820 “Android Mobile Software Development” course (Spring 2016)

19. Akila Mahadas, M.S. (Computer Science), iOS software project – Co-mentored with Dr. Roy Pargas Instructor of CPSC 4820/6820 “Android Mobile Software Development” course (Spring 2016)
20. Julie Summey, PhD (Applied Health Research and Evaluation), Qualitative data analysis (Spring 2016).
21. Yujin Chen, M.S. (Computer Science), iOS software project – Co-mentored with Dr. Roy Pargas Instructor of CPSC 4820/6820 “iOS Mobile Software Development” course (Fall 2015)
